RE: MOD031003767

Dear Ms. Bill:

In reviewing your Resource Conservation and Recovery Act (RCRA) Part A application recently we find that you need to complete page 1 to include process codes and their appropriate unit of measure. It was our impression that we contacted you in this regard in June 1981; however, we have been unable to locate your response.

In order to complete the processing of this application, it is imperative that we receive your response no later than June 4, 1982.

If you have any questions with regard to this request please call Betti Harris of my staff at 816-374-6533.

Sincerely yours,

Robert L. Morby
